**Welcome 2025 Magical Classic Participants:**

Our friendly and helpful staff are here to assist in making your competition a magical and safe experience. Most information can be found on our website, [www.MagicalClassic.com](http://www.MagicalClassic.com), but we wanted to send a letter to address common questions we get about the event.

**LOCATION:** All competitions will be in the Cypress Ballroom located in the Orlando Marriott World Center Convention area. From the main lobby, go down the escalators and continue to the far end of the long hallway. From the parking garage, go down the escalator and turn left. Please allow enough time to arrive before your session begins. There are 4 gyms (A, B, C, D) running simultaneously, with competitions side by side in one large hall.

**PARKING:** Please Park in the Orlando Marriott World Center parking garage. Parking is FREE for those staying at the host hotel. Your parking fees will be waived at check-out. Those staying elsewhere will receive 50% off garage parking. The Marriott has informed us that the Parking Meter in the self- park garage is pre-programmed to the discounted price throughout the entire weekend. When entering from the garage go down the escalator and head left to the Cypress Hall.
